

Expert Review

Questions :

- What movie is it?

Colors:

- Why do you think we made it in black and white?
- What does this remind you of?
- Why do you think some characters have other colors?(complementary colors).

Place and time:

- Where do you think the action is taking place?
- What time period is this reminds you of?

Dramatic elements:

- Does the background light and colors reflect the mood of the action?
- Does it have enough dramatic elements, would you add more?

Interaction:

- What do you think about the interaction?
- Can you see how to activate the interaction? Is it visible?

Characters:

- Does the character's match with the story?

Sound:

- What do you think about the music, does it match with the action?

Last one:

- Would you like to watch the movie? Why? (if not : what can we improve);
